- From the Form-Up area, Officials will release vehicles onto the Circuit.
- Proceed around the track maintaining your gaps.
- As you pass turn 7 start to get up to speed. **The timing starts as you cross the start finish line.**
- **Note- This is a Flying Start – DO NOT STOP on the Grid**
- Be Very Cautious on the First Lap- Learn the Circuit, Exercise Extreme Caution if weaving to warm tyres.
- **No overtaking before the green flag.**
- Each Session will be timed session, planning to be 10-15 minutes, which may be varied by the Clerk of Course.
- The Chequered Flag will be displayed at the start finish line to indicate the completion of the session.
- Once receiving the Chequered Flag, Drivers are required to reduce speed and be prepared to exit driver's left in to the Paddock.

- **Double Entries**

When coming in for driver change, - change your number, - change your Dorian, - and line up in your allocated Group.

FLAGS

- Flags will be used today - It is your responsibility to observe and obey any signals given by the Flag Points and act accordingly.
- Flags being used today are – Yellow / Red / Black / + Start flag (Green) and Chequered flag.
- **Yellow Flag/Light:** -
Held stationary or Single Flashing – Caution, vehicle or other issue may require you to slow. This is usually indicating there is something happening off the circuit.
Waved or Alternate Flashing Light – Slow down, Be prepared to stop, Track may be blocked. There may be debris on the circuit, or a Vehicle may be re-entering the track.
When Yellow Flag is displayed, there is to be No overtaking until you have passed the incident
- **Red flag and or Red Light:**
 Slow right down, 40km/h – 60km/h) Hand in the air. Be prepared to stop. Emergency vehicles or personnel may be on the track. Competition is over; slowly proceed around to pit entry. Be prepared to come to a stop on the circuit if the track is blocked.
- **Black Flag:**
 Held with your car number at Start/Finish line.
 It means that we have noticed something is wrong with your car or your driving and we need to talk to you.
- You must reduce speed, move of the race line, keeping out of the way of other competitors and proceed round the circuit and into Pit Entry - Further instructions will be given to you at this point by an official
- **Start flag** – Will be a green flag.
- **Chequered Flag** – Competition is over, reduce speed and proceed to Paddock Entry.
- Always obey the Chequered flag, even if you think it has come out early.

Overtaking / Driving Standards

- It is a Super Sprint, Overtaking is permitted;
However, it must be done in a safe manner.
This not a race meeting, Overtaking is not to be conducted under hard braking.
It needs to occur under acceleration out of a corner or on the straights.
Be observant, - Watch your mirrors, if you have a faster car behind you, and let them pass.
If you are confident, point to advise what side you want to be overtaken on,
If not just hold your line and the faster car will go around you.
Don't make it difficult for the overtaking car to pass, lighten your foot slightly, and let them pass.
This is a Super Sprint- Track Position does not affect results.
- Competitors driving or overtaking in an unsafe manner or drifting will be shown the black flag.
Consistently, missing corners, spinning, or running off the circuit is deemed driving in an unsafe manner,
This is not controlled driving, and will result in a black flag.

Cool Down Lap

- Only the first group have the option of a cool down lap if they wish.

Runaways

- If you are driving down pit straight and see the sign – STOP HERE NOW.
This means you have missed the chequered flag; we require you to stop along-side the pit wall, but still on the track. Once the next grid has been released, we will bring you in via pit exit.

Breakdowns

- If you have a problem, carefully get off the track, especially racing line. Pull up along the wall on the outside of the track. (If possible, the nearest flag point.)
Get out of the car, and up onto the wall.
DO NOT START TO WORK ON YOUR CAR
- If you have no choice and end up on the inside of the track, Stay in your car.
- All bunkers have fire extinguishers; we also have a Fire Tender that we will send to you.

Gravel Traps – The gravel traps have one job – That is to stop you- They do this very well.

Unfortunately, this also means you are difficult to recover and there is a high chance of vehicle damage trying to remove you from the gravel.

If you put yourself in to deep, to recover, it will mean stopping the event and everyone losing track time.
Please keep this in mind when you are deciding which brake marker you decide to use.

Other

- Track Re-Entry. If you run wide or spin. Exercise extreme caution on your re-entry to the track, It Must Be Completed Safely.
- If you leave the property with your competition vehicle, it will not be allowed back on the circuit until it is re-scrutineered.
- (This may cause you to miss a round)

Finally

Maintain Good Personal Hygiene- Washing Hands Regularly

Please refrain from Entering Officials Space

E.g.- Scrutineering Hut
Stewards Room

Knock on the Door - Stand Back and wait for the official to come to the door

Race Control and Timing Room is Restricted to Essential Personnel Only

Remember – You are Racing the Clock – Stay Safe & Have Fun
